

What is Walk by Faith? ...a 5K race with a big party

AFF will host its 9th Annual Walk by Faith at *The University of Houston* on November 12, 2017. This race continues to gain in popularity and we anticipate a crowd of over 2000 participants. It is sure to be another great race and fun-filled day, complete with great food, awesome kid's zone, music & more!

Who does this event benefit? ...kids with cancer

All proceeds go to Addi's Faith Foundation, a registered 501c(3) non-profit organization dedicated to ending childhood cancer. Our purpose is to raise funds for research in pediatric brain tumors, as well as provide financial assistance to families who are caring for a child with cancer. For more information you can visit us at www.AddisFaith.org

What can I do? ...join our fight -- give \$\$\$, goods, become a participant, or all of the above

We would love to have you as one of our sponsors! Depending on the level of sponsorship chosen, your company will be acknowledged through media outlets such as our website, newspapers, race brochures & posters, email blasts, social media, race day t-shirts, and race banners! This is a great way to promote your business, show the community how much you care, and join in a very important fight! It's a win-win situation!

Want to be a part of something BIG? ...of course you do!

Addi's Faith Foundation has already committed 1.5 million dollars to MD Anderson Cancer Center for a project that is developing more effective yet less toxic treatments for pediatric brain cancer. With less than 4% of federal funding going to children's research, our support is crucial.

In addition to funding research, Addi's Faith Foundation also provides financial assistance to families who are struggling with the loss of income and additional bills that occur when a child is diagnosed with cancer. To date, AFF has helped by giving \$275,000 to families in need.
