

**Alexia Paige Surdukan**

**Andrew Wade Heron**

## *Scholarship opportunity for childhood brain tumor survivors!!!*

Addi's Faith Foundation is a nonprofit organization created by Tony & Amber Bender, in honor of their daughter, Addison Faith Bender, who lost her battle to an AT/RT brain tumor. Addi's Faith Foundation is now accepting applications for scholarship opportunities for childhood brain tumor survivors. These scholarships are in memory of **Alexia Paige Surdukan & Andrew Wade Heron**, who bravely fought against glioblastoma and medulloblastoma. Each scholarship awarded will be in the amount of \$1,000, renewable yearly, based on enrollment and availability.

### **Qualifications:**

1. To be a survivor of a childhood brain tumor and recent high school graduate.
2. To be enrolling in education post high school.
3. High School grade point average, please include a copy of your transcript.
4. Two reference letters, other than a family member. One reference letter should be information provided by the doctor, who directed your treatment. If you are unable to speak to your doctor, have the hospital or clinic provide confirmation of your treatment.
5. To submit the childhood brain tumor survivor scholarship application, transcript and references, and mail it to 2410 Riverway Oak Drive, Kingwood, TX 77345.

Scholarship finalists will be chosen by the Addi's Faith Foundation Board of Directors. The scholarship recipients will be decided after a personal interview and will be notified by phone and/or mail. Scholarships will be announced at the annual Addi's Faith Foundation Appreciation dinner located at The Overlook in Atascocita, Texas in February.

***Addi's Faith Foundation is a nonprofit organization that was created to help fund pediatric brain tumor research as well as provide financial assistance to families who need help caring for their sick child. We want to provide support and hope to the next family that hears those six horrific words, "Your child has a brain tumor." More than anything we hope to someday put an end to this awful disease altogether. That is what we put our FAITH in. After all, "Everything is possible for him who believes!" (Mark 9:23)***
