

WHAT IS BIRDIES FOR CHARITIES®?

Birdies for Charity®, presented by THINK Neurology for Kids is a fundraising program designed to give local charities the opportunity to generate contributions through the Houston Open. 100% of your donations to the program go directly to the charity of your choice. The Houston Open will award the top fifteen (15) organizations with the highest total of donations and four randomly drawn organizations with an additional bonus prize.

GRAND PRIZE

In addition to making a pledge, each donor can guess the number of birdies made during the tournament.

The individual who guesses the exact number of birdies made at the 2021 Houston Open will receive a chance to win a suite night at a Houston Astros game for the 2022 season!
