

# Holiday Home Tour

## December 2nd & 3rd

*Addi's Faith Foundation* is pleased to announce the debut of our Holiday Home Tour - Making Spirits Bright! Four specially selected homes in the Lake Houston Area, each one beautifully decorated for the holidays, will be on display for guests to tour. Visitors will be treated to festive entertainment and refreshments as they peruse homes that are certain to put everyone in the holiday spirit!

*The Holiday Home Tour* is an exciting event with a serious mission... ending childhood cancer. Funds raised will be used to help fulfill AFF's \$2 million dollar pledge to MD Anderson Cancer Center for a pediatric research project that is using targeted therapy to find safer, more effective treatments for kids with cancer. Funds will also go to AFF's Relief Project that offers financial and emotional support to families who are caring for a child with cancer.

*We invite you to join* our fight against childhood cancer as one of our sponsors. Depending on the level of sponsorship chosen, your company will be acknowledged through media outlets such as our website, newspapers, posters, email blasts, social media, and event banners! Addi's Faith Foundation has an email contact list of 5000+ and an average monthly reach of over 10,000 across communication channels. In our inaugural year, we anticipate 500+ visitors touring homes.
