Currently doing great!*

Who does this event benefit? ...kids with cancer

All proceeds go to Addi's Faith Foundation, a registered 501c(3) non-profit organization dedicated to ending childhood cancer. Our mission is to fund childhood cancer research, as well as provide financial assistance to families who are caring for a child with cancer. For more information, you can visit us at www.AddisFaith.org

What can I do? ...join our fight -- give \$\$\$, goods, participate, or all the above

We would love to have you as one of our sponsors! Depending on the level of sponsorship chosen, your company will be acknowledged through media outlets such as our website, email blasts, social media, banners, and other collateral materials. Addishack is a DOUBLE tournament so your signage will be seen for both morning and afternoon tourneys! This is a great way to promote your business, show the community how much you care, and join in an especially important fight! It's a win-win situation!

Want to be a part of something BIG? ...of course, you do!

Addi's Faith Foundation has already donated over 2 million dollars to MD Anderson Cancer Center for a project that is developing more effective, yet less toxic treatments for pediatric brain cancer. With less than 4% of federal funding going to children's research, our support is vital to ensuring progress in pediatric cancers.

In addition to funding research, AFF also provides financial assistance to families who are struggling with the loss of income and additional bills that occur when a child is diagnosed with cancer. To date, AFF has offered emotional and financial support to over 700 families.
